

Carl R. Duncan, MD, a Radiologist with Anne Arundel Medical Center

Get to know Radiologist Dr. Carl R. Duncan, who serves patients in Annapolis, Maryland.

New York, New York City, Oct 19, 2021 ([Issuewire.com](https://www.issuewire.com)) - A well-known radiologist, Dr. Duncan is in practice with Community Radiology Associates of Maryland.

Community Radiology Associates is a private Radiology group with 18 offices serving Frederick, Montgomery, and Prince George counties of Maryland.

Back in 1973, Dr. Duncan earned his medical degree from the Drexel University College of Medicine. He then went on to complete his internship and residency in radiology at the National Capital Consortium in 1974 and 1977, respectively.

Holding a license to practice medicine in Maryland, the doctor is board-certified in radiology by the American Board of Radiology (ABR). The ABR is a not-for-profit physician-led organization that oversees the certification and ongoing professional development of specialists in diagnostic radiology, interventional radiology, radiation oncology, and medical physics. Dr. Duncan currently specializes primarily in women's imaging.

Radiology refers to the field of medicine that uses non-invasive imaging scans to diagnose a patient. A radiologist is a physician who uses imaging methodologies to diagnose and manage patients and provide therapeutic options.
