

Doctor Air Philippines Doctor Air Purifier / Chlorine Dioxide Diffuser

Chlorine Dioxide Diffuser

Philippines, Metropolitan Manila Area, Oct 5, 2021 ([IssueWire.com](http://www.IssueWire.com)) - hello@doctorairphilippines.com<http://doctorairphilippines.com/>

Doctor Air Purifier / Chlorine Dioxide Diffuser

Doctor Air is the only air purifier in the market right now that diffuses Chlorine, using it to combat viruses and bacteria like SARS, Legionella, etc. It also combats allergens from pets.

With its high ADR, Doctor Air can effectively clean the air of up to 70sqm in an enclosed area after 1 hour of use. This gives you the priceless peace of mind that the air you're breathing in is safe. Doctor Air will leave you with peace of mind that your place of dwelling is 100% safe and virus-free.
