Tennessee, Memphis, Oct 5, 2021 ([Issuewire.com](https://www.issuewire.com)) - Dr. Carolyn Whitney, an “*Exemplar of Pediatrics*” brings nearly three decades of expertise to her patients and the families of Memphis, Tennessee. Her love and compassion for helping children are reflected by five-star ratings and patient reviews.

Dr. Whitney is an award-winning pediatrician treating patients at Regional One Health. She has been published as an “Exemplar of Pediatrics,” 2020; a Top Physician in the Best in Medicine Edition of Preferred Health Magazine, 2019, and named a “Patient Preferred Physician,” 2018. She has seen great success with her patients and their families who rate her five stars, applauding her compassion and bedside manner. “She has been taking care of my kids all their lives,” said a patient review. “I wouldn't change her for the world.”

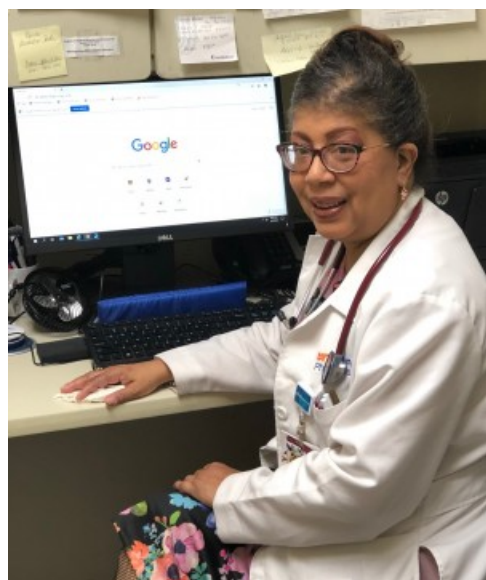

Dr. Whitney is trained to meet the unique needs of children, through all their developmental stages, as they grow and mature. Patients are treated for all pediatric care including wellness visits and immunizations to more advanced treatments as ADD, Autism, Pneumonia, and Hernia.

A successful medical career began when Dr. Whitney graduated from Meharry Medical College in Nashville, Tennessee, in 1984. She then went on to complete her post-graduate training at Wayne State University School of Medicine in Detroit, Michigan. Certified in Pediatrics by the American Board of Pediatrics, Dr. Whitney is an active member of the Tennessee Medical Association and member of the American Academy of Pediatrics and Bluff City Medical Society.

“I love Dr. Whitney. [She is] best provider ever,” said another patient on Sharcare.com. “[I] have been seeing her for three years now. She is very accurate and always on point.”

When she is not treating patients she shares her knowledge as an instructor in the Nursing-Primary/Public Health Department at the University of Tennessee Health Science Center. She attributes her success to her drive to make a difference and providing quality patient care. When she is not working Dr. Whitney enjoys traveling, reading, and watching movies.
