(OTC – Markets: NSRS) A publicly-traded company currently listed on the Pink Open Market section of OTC Markets, announces the S.E.C. has Accepted our filed 2019 & 2020 8K's and we are fully current. The company has filed with FINRA for the Name Change and new symbol and received our first line of questions. The Board has decided to move forward in these challenging times to seek out Sponsoring Doctors and Cancer Patients to test our proprietary medical cannabis formula which helps treat the effects of Cancer and relieves the pain. The Companies plan is to engage companies / private funding to help sponsor the company's clinical trials. Our plan should prove to establish proof cannabis and CBD helps patients. Our intentions are to film and document our first 5 to 10 patients as part of the trials.
