

Glass Genius to Let Users Easily Find Their Nearest Glass Glazier and Fabricator

The Online Marketplace Hosts a Diverse Range of Glass Sellers for Consumers to Partner With

Ohio, Dublin, Oct 8, 2021 ([IssueWire.com](https://www.issuewire.com)) - Today, **Glass Genius**, an online marketplace featuring various custom cut glass products, announced the best new way for individuals to discover their local glass glaziers and fabricators. After signing up for an account on the website, users can immediately begin to search and connect with multiple sellers offering custom glass products, from simple frosted glass to high-tech bulletproof glass.

Discovering a new glass glazier or fabricator has never been easier, thanks to **Glass Genius'** modern search engine and innovative features. Those hoping to purchase a certain glass product that might

otherwise be difficult to find can simply type it into the search bar, press enter, and receive dozens of options for purchase, such as:

- [Plexi & acrylic glass.](#)
- [Custom Wall mirrors](#)
- [Tempered glass cut to size](#)
- [Replacement glass](#)
- [Polycarbonate sheets](#)
- [Shower Enclosures](#)
- And more.

Of **Glass Genius'** comprehensive marketplace, a spokesperson for the company commented, "**Glass Genius** is undoubtedly the best place for individuals to locate their local glass glaziers and fabricators in the 21st century. We've successfully taken what was once a difficult or impossible process and transformed it into a series of simplistic, hassle-free steps anyone can follow. As such, there's no better place for buyers to turn to for their glass needs than **Glass Genius!**"

To narrow down their search for a buyer, users can take advantage of the website's efficient search engine filters. For instance, after entering their desired keyword, a user can further specify their results by deciding between a "Residential" or "Commercial" shipping destination, whether they need help with installation, and the zip code associated with their address.

Furthermore, users can refine their results through glass shape, making for a truly personalized experience. Those searching for [glass tabletops](#) and mirror cut to size— for example — can select the following:

- Round
- Rectangle
- Square
- Oval/Ellipse
- Racetrack oval
- And more!

As a result, **Glass Genius** is genuinely the best place for both buyers and sellers of glass glazing and fabrication services to turn to for their custom needs.
