New-age rapper, songwriter and hip hop artist JakeTheEngineer endeavours to ascend the throne of the hip-hop genre with his deep understanding of music.

Georgia, Lawrenceville, Oct 20, 2021 ([IssueWire.com](https://www.IssueWire.com)) - Having been raised in Statesville NC, United States, an artist [JakeTheEngineer](#) of a new generation of hip-hop is now all set to ascend to the throne of the hip-hop kingdom. Beautifully embedding a stylized rhythmic pattern with enchanting lyricism, he brings about the best of his creations. The pivotal focus of hip-hop music is its interplay between rap and beats in which the artist harnesses his extreme talent and skills. His energy level is unparalleled with any other singers of this genre. His born enthusiasm is evident through his hip-hop performances. By adding some melodic touch with his every performance, he stands out in the crowd of up and coming hip-hop artists.

The creative ability of a hip hop artist is examined through his ability in mixing beats with rap or poetry. The artist seems to have absorbed it skillfully and marvellously. His song '**That Boy**' is a perfect example to demonstrate his experience with beats, rap, and melody. His supremacy in poetry and rhetoric is vividly visible in this song. **JakeTheEngineer** has delivered his best, from rap to rhythm and vocal tune, through '**That Boy**'. His other song '**Darkened Cloudz**', is another instance of his musical

expertise. To match the overall theme of his tracks, he keeps changing his tempo and speed, which is quite a distinctive feature of an artist.

Poetic techniques such as internal rhyme, meter and double entendre, his perfection is evident in using every subtle element of hip-hop music. Consequently, his songs come as a package with technical skills and artistic comprehension. His other songs, 'Im a threat', 'Chambers of secret', 'Seeing red' and many others bear proof of his versatility. All his songs are available on Spotify; do listen.
