

Hip Hop Artist on the Rise: Haitian Urban Rapper Tha Rapper Haiti

Let's heal together

New York, Long Island, Oct 26, 2021 (Issuewire.com) - Tha Rapper Haiti is a Haitian-American rapper, singer-songwriter, record producer Prospere James is formally recognized as Tha rapper Haiti born on November 5th, 1996 in Haiti after he was moved to America in 2013, 6 years later quickly becomes one of the favorite underground artists in Haiti, you can check out his song title PALE VIT PALE CHO one of the most listened on the radio.

he is also a kind-hearted soul, who selflessly puts himself out there to support others. His humble beginnings and unpopularity didn't stop him from chasing his dreams. In his case, the magic formula of patience and devotion is what brought him an increasingly growing fanbase and further inspiration for music. His obstacles were nothing but stepping stones that will always serve as a reminder that you can achieve just about anything if you put your mind to it.

He has been rapping since the age of 15. He never really thought he had it inside, and took it seriously because he was the shy type. He decided to do what had to be done and focus on his dream.
