

Joseph K. Lee, DMD, a General Dentist with Normandy Lakewood Dentistry

Get to know General Dentist, Joseph K. Lee, DMD, who serves patients in Jacksonville, Florida

New York, New York City, Oct 26, 2021 ([Issuewire.com](https://www.issuewire.com)) - Dr. Lee is a seasoned general dentist who welcomes patients at Normandy Lakewood Dentistry in Jacksonville, Florida. A strong business development professional, Dr. Lee is the CEO and Owner of Normandy Dentistry, as well as CEO and Founder of Lakewood Dentistry, which he established in 2016. Moreover, he is the President of Clear Sky Management LLC, a company that provides management and support services to dental offices.

"His family means the world to him, so when you trust his team with your loved ones, he realizes the importance of that decision. He looks forward to welcoming you and your family personally to the office. Dr. Lee is excellent at providing efficient yet gentle dental care, and he thoroughly enjoys getting to know each of his patients. His practice is a dream come true for him, and he hopes you and your family enjoy your every visit!", states the official website of Dr. Lee.

Dr. Lee commenced his professional journey in 1997 when he received his Bachelor of Science degree in Biology at Emory University in Atlanta, Georgia. In 2002, he graduated with his Dental Medicine Doctor degree from the University of Florida College of Dentistry in Gainesville, Florida. Furthermore, Dr. Lee earned the John C. Maxwell Program Certification through The John Maxwell Team in 2021.

Dr. Lee's practice offers a comprehensive range of dental services, including preventative care (regular dental checkups, emergency dentistry, fillings and sealants, mouth guards, pediatric dentistry, periodontal disease treatment, restorative dentistry (dental crowns and bridges, dentures, dental implants, root canal treatment, wisdom teeth removal, and all-on-4 dental implants), cosmetic dentistry (veneers, Invisalign, teeth whitening, six-month smiles), as well as special services, such as sedation dentistry, tooth extractions, and emergency dentistry.

General dentistry covers a range of treatment options and procedures fundamental to protecting and maintaining a good standard of oral health. Treatments are in place to keep your mouth, gums, and teeth healthy and free of pain.
