

Joseph Sabato Jr., MD, FACEP, an Emergency Physician with UMass Memorial Medical Center

Get to know Emergency Physician Dr. Joseph Sabato Jr., who serves patients in Worcester, Massachusetts.

New York, New York City, Oct 26, 2021 (IssueWire.com) - Well-versed in the field of emergency medicine, Dr. Sabato Jr. is the former Medical Director of the Clinical Decision Unit at UMass Memorial Medical Center, the current Medical Director of the 911 center, and also serves as an Associate Professor within the Department of Emergency Medicine at the UMass Medical School.

UMass Memorial Medical Center is the region's trusted academic medical center, part of the UMass Memorial Health. They are committed to improving the health of people in Central Massachusetts through excellence in care, comprehensive health services, teaching, and research. They are the clinical partner of UMass Medical School. Through this relationship, their staff teaches tomorrow's physicians, nurses, and other health care professionals. They also participate in research efforts that bring our patients the very latest diagnostic and treatment options.

Beginning his professional pursuits at Boston University, where he completed his Bachelor of Arts degree in Liberal Arts, Dr. Sabato Jr. went on to graduate with his medical degree at the University of Massachusetts Medical School. He then completed his residency in internal medicine at Rochester General Hospital and became boarded in Internal Medicine.

Distinguished as a Fellow of the American College of Emergency Physicians (FACEP), the doctor is board-certified in emergency medicine by the American Board of Emergency Medicine (ABEM). The ABEM is one of 24 medical specialty certification boards recognized by the American Board of Medical Specialties.

To boot, he is board-certified in internal medicine by the American Board of Internal Medicine (ABIM). The ABIM is a physician-led, non-profit, independent evaluation organization driven by doctors who want to achieve higher standards for better care in a rapidly changing world.

Emergency medicine, also known as accident and emergency medicine, is the medical specialty concerned with the care of illnesses or injuries requiring immediate medical attention. An emergency physician works in an emergency department to care for acutely ill or injured patients on an unscheduled basis.
