

Justin M. Rodebaugh, MD, an Internist with MidMichigan Medical Center – Alpena

Get to know Internist Dr. Justin M. Rodebaugh, who serves patients in Alpena, Michigan.

New York, New York City, Oct 4, 2021 (IssueWire.com) - Dr. Rodebaugh is a board-certified internist working with MidMichigan Medical Center – Alpena in Alpena, Michigan. As an internist, he specializes in the prevention, diagnosis, and treatment of internal diseases. He embraced his current role with MidMichigan Medical Center – Alpena, an integral part of MidMichigan Health, in 2019. Dr. Rodebaugh is licensed to practice medicine in the states of Michigan and Ohio.

“MidMichigan Health, a non-profit health system headquartered in Midland, Michigan, is a leader in providing award-winning, high-quality care to the 23-county region it serves. With Medical Centers in Alpena, Clare, Gladwin, Gratiot, Midland, Mt. Pleasant, and West Branch, MidMichigan Health provides a full continuum of care across a wide array of settings, including urgent care centers, home health, virtual care, as well as medical offices in more than 30 specialties and subspecialties including cardiology, hematology/oncology, orthopedics, vascular surgery, family medicine and more”, states the official website of MidMichigan Health.

Dr. Rodebaugh earned his medical degree in 2008 at Eastern Virginia Medical School in Norfolk, Virginia. He then pursued his internal medicine residency at Cleveland Clinic Foundation in Cleveland, OH, as well as Eastern Virginia Medical School and Sentara Norfolk General Hospital in Norfolk VA. He completed his residency in 2011. He additionally holds a Master of Science degree in Biomedical Research and Physiology acquired at Eastern Virginia Medical School in 2004.

After completing his training, he acquired his board certification in internal medicine with the American Board of Internal Medicine. The American Board of Internal Medicine is a 501 nonprofit, self-appointed physician-evaluation organization that certifies physicians practicing internal medicine and its subspecialties.

Internal medicine or general internal medicine is the medical specialty dealing with the prevention, diagnosis, and treatment of internal diseases.
