

Kins Ferna's Bio, Age, Nationality, Career and Early Life.

Beira, Sofala Nov 5, 2021 ([Issuewire.com](https://www.issuewire.com)) - **Fernando Tomo Lopes Cardoso** (June 18, 2004) professionally known as **Kins Ferna's**, is a Mozambican artist, composer, and producer.

Early Life

He was born on June 18, 2004, in Beira, Mozambique. Where he was raised by his parents. He attended the Escola Primaria Complete De Matacuane for the primary level and the Secondary School Samora Moisés Machel for the secondary level.

Kins Ferna's is regarded as one of the artists who, due to his simplicity, garners popular sympathy in every action he performs. Early on, Kins Ferna's decided to bet that he would be a being who would live for others.

Throughout its actions, Kins Ferna's has privileged solidarity campaigns that seek to benefit disadvantaged people. Among these initiatives, Kins Ferna's lived with Mozambicans to promote "Christmas Hope" actions, which value the offer of meals to homeless people or others in need on Christmas Eve. Likewise, Kins Ferna's has already carried out actions in favor of the elderly, as well as children with different needs.

It is important to emphasize that in each radio program, Kins Ferna's carries with it a great deal of joy and solidarity, where its main objective is to do good for others. His passion for music is, above all, transmitting joy and good to others, as he understands that this is his mission on earth.

Kins Ferna's in his 13 years was already thinking of being part of a musical group. But he changed his mind and went to record his first song in the studio near his house.

After some time Kins Ferna's was introduced to the music industry, released his first single "De boa" on the blogger and, after a few months, he released his music on Spotify and many other international streaming platforms like Deezer and much more...

Music Career

Kins Ferna's is best known for his singles "Sunset" and "Stay At Home", which earned him over 5,000 streams on Spotify and other music streaming platforms.

Kins Ferna's began her career at age 13 in the city of Beira, **Mozambique**. As an online music producer. He later started releasing his Remixes on major streaming platforms. He first released "De Boa" on Spotify in 2021 and, after 1 month, released his music on many other international platforms such as Deezer, YouTube Music, Apple Music, Itunes, Amazon Music, Pandora, Napster, Shazam, Tidal, Facebook, and Rhapsody.
