New York, New York City, Oct 20, 2021 (Issuewire.com) - A board-certified orthopedic surgeon, Dr.

Migliore is affiliated with Kettering Health Medical Group Orthopedics & Sports Medicine, with locations in Hamilton, Middletown, and Fairfield County, Ohio. She combines a gentle and compassionate approach to deliver exceptional patient satisfaction. She treats her patients how she would want another physician to treat her family.

Having performed thousands of procedures, she is a highly skilled and experienced surgeon with excellent outcomes. She specializes in hip, knee, ankle, elbow, and shoulder arthroscopy, as well as general orthopedics. She performs open and arthroscopic orthopedic surgeries, and provides comprehensive orthopedic and sports medicine care to patients of all ages.

Educated in the United States, Dr. Migliore holds a Bachelor of Science degree in Biological Science & Pre-Medicine from Ohio University. She graduated with her Doctor of Osteopathic Medicine degree from the Ohio University College of Osteopathic Medicine, and went on to complete her internship and residency in orthopedic surgery at Grandview Hospital and Medical Center. Later, she completed a fellowship in sports medicine at Indiana University Health.

An expert in her field, the doctor is board-certified in orthopedic surgery by the American Osteopathic Board of Orthopedic Surgery (AOBOS). The AOBOS is an organization that provides board certification to qualified Doctors of Osteopathic Medicine who specialize in the medical and surgical treatment of disorders of the musculoskeletal system.

Professionally, Dr. Migliore is an active member of the Arthroscopy Association of North America, the American Orthopedic Society for Sports Medicine, the American Academy of Orthopedic Surgeons, the American Osteopathic Academy of Orthopedics, the Ohio Osteopathic Association, and the American Osteopathic Association.

Among her other roles, she serves as Medical Director of Sports Medicine and Rehabilitation, and Chief of Staff at Fort Hamilton Hospital.

Orthopedic surgery is the branch of surgery concerned with conditions involving the musculoskeletal system. Orthopedic surgeons use both surgical and non-surgical means to treat musculoskeletal trauma, spine diseases, sports injuries, degenerative diseases, infections, tumors, and congenital disorders.

Throughout her illustrious career, Dr. Migliore has been the recipient of various honors and accolades, including the Top Doctor - Orthopedic Surgery Award (2015, 2016), First Place Scientific Paper Award by the American Osteopathic Academy of Orthopedics (2010), and William N. Wasson Student Leadership and Academic Award by National Intramural Recreation and Sports (2001).
