

Launch of Trustpilot Webinar Featuring Coalition Technologies

Learn holiday shopping do's and don't's from the experts

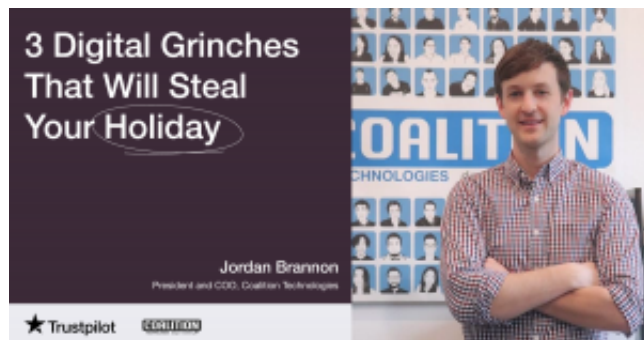

California, Los Angeles, Oct 22, 2021 (Issuewire.com) - Coalition Technologies is proud to announce the release of its on-demand webinar with Trustpilot and BigCommerce, “ ’Tis the season to be selling: Must-knows for the 2021 festive period.” Available for a limited time only, you can register for the webinar [online](#).

This series features a library of short webinars and resources that will equip you to meet and exceed your holiday selling goals. Coalition’s session is titled “3 Digital Grinches That Will Steal Your Holiday;” BigCommerce covers “5 Easy Ecommerce Wins for the Holidays;” and Trustpilot sets out “Your roadmap for a successful 2021.” The Coalition webinar is delivered by our president and co-founder, Jordan Brannon. He discusses three major digital mistakes that could undermine your holiday sales and how to avoid them.

About Coalition Technologies

Founded in 2009, Coalition Technologies is one of the leading SEO and web design agencies in the United States. Our team provides successful solutions for our clients by using hard data to craft scientifically tested strategies.
