

Letton Digital cutting edge headset; The Soulmate, made better with customization options

Powerful headset a unique Christmas gift option just in time for the holiday gift-giving season

Hong Kong S.A.R., Hong Kong, Oct 28, 2021 ([Issuewire.com](https://www.issuewire.com)) - Just in time for the most significant retail quarter of the year, the Soulmate, the latest in reliable VOX headsets for gaming and entertainment from Letton Digital Co. Ltd., is available with a unique feature, making it one of the most sought-after Christmas gifts for all fans of high-quality audio.

They are proud to announce the Soulmate gaming headset can be customized with an engraving just in time for the Christmas season.

This perfect gift is sure to be in demand and highly sought after as the holiday approaches.

Whether a special Gamertag, nickname, or just a personalized identification tag, the design, and quality of the headsets are sure to astound any user, and with a customized name, the gift is sure to be treasured as much as it is used for years to come.

The Soulmate is a wireless headset that provides excellent sound quality and noise cancellation in a compact design for use in any setting. From commuting to work to enjoying nature, the comfortable padding and adjustable headband ensure a perfect fit. Additionally, the Li-ion battery provides 25 hours of playback at a typical listening level and takes just over two hours to recharge.

The Soulmate headset is designed to go everywhere you go, and it does so without sacrificing sound quality and featuring original parts for rich, powerful audio while listening to music or chatting with friends on your phone. From the gym to the car to the coffee shop, this lightweight headset blocks out ambient noise so you can enjoy your music at total volume.

This year don't give any gifts. Give the gift of high-fidelity, high-performance; high-tech, high-end, high caliber, and top of the line in personal audio; the Soulmate.

Soulmate Leading Style.
