

Lost Ark - Free to Play MMO Action RPG

Your odyssey awaits in Lost Ark, a free-to-play MMO Action RPG. Developed by Smilegate RPG & published by Amazon Games.

New York, Chili, Oct 7, 2021 ([Issuewire.com](https://www.issuewire.com)) - [Lost Ark](#) is a massively multiplayer online action role-playing game (MMORPG) developed by Tripod Studio and Smilegate's game development subsidiary Smilegate RPG. It has been fully released in the Korean region on December 4, 2018. It's in open beta test (OBT) in the Russian region and it has started its closed beta test (CBT) registration in the Japanese region on June 25, 2020. The game is also coming to European and North American regions in March 2022, published by Amazon Games. The game has won six-game awards in various categories at the Korea Game Awards 2019.

[Lost Ark](#) is a free-to-play game that pairs the best of ARPG combat and MMO depth to create a vast, vibrant world with thrilling fights, endless customization, and endless adventure.

Embark on an odyssey for the Lost Ark in a vast, vibrant world: explore new lands, seek out lost treasures, and test yourself in thrilling action combat. Define your fighting style with your class and advanced class, and customize your skills, weapons, and gear to bring your might to bear as you fight

against hordes of enemies, colossal bosses, and dark forces seeking the power of the Ark in this action-packed free to play RPG.

A World Brimming With Adventure

Splash into the massively satisfying ARPG-style combat and progression as you quest, raid, and fight on the scope of an MMO. Explore seven vast, varied continents and the seas between them to find vibrant cultures, strange and fantastical beasts, and all the unexpected marvels waiting to be discovered. Fight in the open world or delve into chaos dungeons, go head-to-head in expert PvP duels, test your mettle on epic quests, raid against bosses big and small, and hold your own in the fight against the Demon Legion to reclaim the power and light of the Lost Ark.

Colossal Combat

Lost Ark's ever-expanding roster of iconic classes - each with its own distinct advanced classes - offers plenty of room to explore until you find the fighting style that's just right for you. Hit the ground running with pick-up-and-play action then take control of your combat with the unique Tripod system. Unlock three tiers of customization for each of your abilities, giving you powerful control of exactly how you fight.
