

marriedbook.com Official Launch: November 1st, 2021

Maryland, Fort Washington, Oct 7, 2021 (Issuewire.com) - marriedbook.com is officially launching on November 1st, 2021. Early access membership is now available at: www.marriedbook.com

About marriedbook.com:

Marriedbook is a digital book of memories, a self-help interactive platform, community and marital content source for married, engaged, or newly wedded couples. Marriedbook creates a space for you to build your memories through your profile where you can also create pages to add to your book of shared experiences. You can use marriedbook to build your own private book filled with your memories and experiences, or you can also engage in our community groups, activities, and events geared toward married life. The journey is completely up to you. www.marriedbook.com

Features Include:

Interactive Self Help Programs: *Love: Interactive Therapy* and *marriedbook Boot Camp* come included with membership.

Your Personal Profile Book: You can build your memories and special moments over time, post memories on your wall and timeline, upload photos, build albums, post videos, and create a catalog of your special moments.

Public Pages: Create pages for particular or specific memories, events, or occasions.

marriedbook magazine: Articles including Married Tips and Helpful Content.

Community: Fun Activities, Community Groups, and Polls (you can join or create).

Affiliate Opportunity: Earn 50% commission for simply telling others about marriedbook.com.

Privacy Settings: Make settings on your Profile Book private, public, or for friends to view only. You can also engage the community anonymously by selecting the "anonymous" option if you would like to remain private.

**No ads, advertising, or non-related content broadcasting. One-time payment lifetime membership access. No subscriptions are needed.*
