

Michael J. Orseck, MD, a Plastic Surgeon with Medical Group of the Carolinas - Magnolia Plastic Surgery

Get to know Plastic Surgeon Dr. Michael J. Orseck, who serves patients throughout the State of South Carolina.

New York, New York City, Oct 28, 2021 (IssueWire.com) - A board-certified and fellowship-trained plastic surgeon, Dr. Orseck is affiliated with Medical Group of the Carolinas - Magnolia Plastic Surgery, working with patients at their offices in Spartanburg, and Simpsonville, South Carolina.

Considered one of the foremost experts in aesthetic plastic surgery, he and his staff work closely with each patient, developing an individualized plan of treatment to enhance the natural features or correct problems of the face, breast, and body. They remain committed to their patients to provide the highest quality of care in a safe and private environment.

In regards to his educational background, Dr. Orseck graduated with his medical degree from the Ross University School of Medicine in 1998. He completed his residency in family medicine at Spartanburg Regional Hospital and his residency in plastic surgery at the Medical College of Georgia. He then went on to graduate from the world-renowned Manhattan Eye Ear and Throat aesthetic surgery training program, and studied reconstructive microsurgery at UZ Gent, in Belgium, focusing on DIEP flap breast reconstruction.

An expert in his field, the doctor is board-certified in plastic surgery by the American Board of Plastic Surgery (ABPS). The mission of the ABPS is to promote safe, ethical, efficacious plastic surgery to the public by maintaining high standards for the education, examination, certification, and continuous certification of plastic surgeons as specialists and subspecialists.

An active member of the American Society of Plastic Surgeons, Dr. Orseck has served on the Board of Trustees for the Spartanburg Regional Healthcare System, as well as on the Board of the Spartanburg Regional Foundation. He is also a Trustee for the RYR-1 Foundation, which supports research for neuromuscular diseases.

With a passion for teaching, he serves as an Associate Professor of Plastic Surgery (AHEC) with the Medical University of South Carolina, where he remains actively involved in education by teaching surgeons in training. He continues to publish his research in many of the top plastic surgery journals.

Plastic surgery is a surgical specialty involving the restoration, reconstruction, or alteration of the human body. It can be divided into two main categories - reconstructive surgery and cosmetic surgery. A plastic surgeon's primary responsibility is performing surgical and non-surgical procedures, and they use a variety of reparative and reconstructive techniques to get the job done.

Since 2014, Dr. Orseck has been recognized as one of Castle Connolly's Top Doctors and has been voted Best Plastic Surgeon by the readers of the Herald-Journal in Spartanburg. He has also been the recipient of the Patients' Choice Award (2020, 2018, 2016, 2015, 2014, 2013, 2012, 2011, 2010), Compassionate Doctor Recognition (2020, 2018, 2016, 2015, 2014, 2013, 2012, 2011, 2010), On-Time Doctor Award (2020, 2018, 2016, 2015, 2014), Patients' Choice 5th Anniversary Award (2018, 2016, 2015, 2014), Compassionate Doctor Award - 5 Year Honoree (2018, 2016, 2015, 2014), and Top 10 Doctor - State (2014).

When not in the office, he enjoys playing guitar, tennis, running, and spending time with his children, Gabby and Jake.
