

MMM Trends LLC Releases First Children's Book to Support Children's Charity

Wisconsin, Madison, Oct 5, 2021 ([IssueWire.com](https://www.issuewire.com)) - MMM Trends LLC creates children's and coloring books to support non-profit organizations dedicated to helping kids be kids. The newly released, highly anticipated book, "I Want" is a children's book that is now available on Amazon.com by paperback and kindle.

The illustrators are MMMgirls which are three girls age 7-13. These girls volunteered their time and skills by creating adorable illustrations to help children that may not be as fortunate. This makes MMM Trends LLC's books very different than books with traditional illustrators.
