

Natalya Dubchuk, MD, an Obstetrician-Gynecologist with Southwest General Medical Group, Inc. - Women's Health

Get to know Obstetrician-Gynecologist Dr. Natalya Dubchuk, who serves patients in Middleburg Heights, Ohio.

New York, New York City, Oct 13, 2021 ([Issuewire.com](https://www.Issuewire.com)) - A trusted obstetrician-gynecologist, Dr.

Dubchuk is affiliated with Southwest General Medical Group, Inc. - Women's Health in Middleburg Heights, Ohio.

The highly skilled obstetricians and gynecologists at Southwest General Medical Group, Inc. - Women's Health are all board-certified and offer comprehensive care for women from adolescence through menopause. Their services include care for pregnancy, menopause, and all forms of contraception, minimally invasive in-office procedures for excessive menstrual bleeding, tubal ligations and incontinence, and state-of-the-art minimally invasive gynecological surgery using the robotic da Vinci S Surgical System technology.

A Ukrainian native, Dr. Dubchuk earned her medical degree from the Danylo Halytsky Lviv State Medical University. After relocating to the United States, she completed her internship and residency at University Hospital Cleveland Medical Center.

As a testament to her continued education, the doctor is board-certified in obstetrics and gynecology by the American Board of Obstetrics and Gynecology (ABOG). The mission of the ABOG is to define specialty standards, certify obstetricians and gynecologists, and facilitate continuous learning to advance knowledge, practice, and professionalism in women's health.

Teaching students, Dr. Dubchuk is a Clinical Assistant Professor of Obstetrics and Gynecology at the Northeast Ohio Medical University.

Among her other roles, she has medical privileges at Strongsville Medical Center, and University Hospital Cleveland Medical Center.

Obstetrics and gynecology (OB-GYN) is the medical specialty that encompasses the two subspecialties of obstetrics (covering pregnancy, childbirth, and the postpartum period) and gynecology (covering the health of the female reproductive system – vagina, uterus, ovaries, and breasts).

Recognized for her dedication to her field, Dr. Dubchuk has been the recipient of the Patients' Choice Award (2018, 2017, 2016, 2015, 2010, 2009, 2008), Compassionate Doctor Recognition (2018), and Patients' Choice 5th Anniversary Award (2020).
