

New ways for creators to make a living

Get Started With Creator Feature On KnackIt

Karnataka, Bengaluru, Oct 3, 2021 ([Issuewire.com](https://www.issuewire.com)) - Are you a keen photographer looking to earn money from your excellent shooting skills? Does tapping your feet to the beats of music is something that thrills you? And did you wish for a miracle where you could earn money by flaunting your flexibility while performing yoga postures? If you have nodded your head to even one of these questions, then we have great news for you! [KnackIt](https://www.knackit.com), influencers and creators-based platform, just introduced its new "Creator" feature on its talent-based platform so that you can earn money along with followers by making videos like Instagram Reels.

What is [KnackIt's](https://www.knackit.com) Creator Feature?

The Creator Feature is an upgrade offered by [KnackIt](https://www.knackit.com) through which the video creators who have signed up on KnackIt can earn minimum wages with their exciting talent-based videos. [KnackIt](https://www.knackit.com) has introduced the Creator Feature as a step forward to achieve its vision of turning passion into a profession. The talented individuals can sign up on KnackIt as a creator and start earning from this **dream point-earning app**. It's such a piece of cake!

Why should you upgrade to a Creator on KnackIt?

It would be best if you upgraded yourself from an influencer to a creator on KnackIt because the perks of being a KnackIt creator are irresistible. Being a creator on KnackIt, you get the benefits given below.

- KnackIt pays you a minimum wage from their side.

- You can earn through your followers as they pay you money for your services.
- In addition to an enormous fan following, you can finally earn from your passion by making videos just like you may be doing on Facebook and Instagram.

How to sign up as a creator on KnackIt?

Now that you have finally decided to come onboard with KnackIt as a Creator let's guide you through the process of being a KnackIt Creator.

- Influencer verification

We aim to be the medium of trust between our creators and their followers. So as a first step, you must upload a photo identification proof such as Passport, Adhar Card, Pan Card, etc. Then you need to upload your selfie with a unique code provided by us, written on a piece of paper.

Once you upload all the documents, we verify your documents to ensure that they are authentic. You can even schedule a 15-minute video call to complete the verification process.

- Creating subscription plans

Secondly, you will need to create subscription plans for your followers. Finally, you can create a trial plan which extends up to a limited period only. It ensures that the fans get a taste of what lies ahead of them.

- Setting up payment options

Lastly, you must set up your payment options like bank accounts, UPI IDs, cards, etc., to receive payments from your fans. The viewers are also required to set up their payment details to pay the creators and **connect easily with talent**.
