

Nikki Flower Introduces New Range of Sugar-Free Cakes

Chandigarh, India Jan 10, 2022 ([IssueWire.com](https://www.issuewire.com)) - India's favorite bakery and home to many delicacies have decided to launch an all-new collection of sugar-free cakes online. This is a newly taken decision which will be made live from this Diwali. It ensures a healthier alternative to the one who has been suffering from health issues such as diabetes, etc. This collection from Nikki Flowers promises mouthwatering cupcakes every day.

Nikki Flower's cupcakes will be topped with frosting sweetened with sugar substitute and hence it will not cause any kind of issues to diabetic people. In addition to sugar, a sweet syrup will be used in place of it which will ensure great taste, totally health convenient, and mesmerizing.

These cakes can also be clubbed with flowers as there are ample flowering options available on the online portal of Nikki Flower. Flowers can make the moment and celebrations more amazing and this can help to bond well with your relatives, friends and even colleagues.
