

Odoo Giveaway - Participate to get an Odoo Website Builder Book for Free

The prominent Odoo Gold partner Cybrosys Technologies is organizing a giveaway of one of the top most Odoo books, the “Designing Professional Websites with Odoo Website Builder” in the Three weeks Give Away.

New York, Elma, Oct 13, 2021 ([Issuewire.com](https://www.issuewire.com)) - The prominent Odoo Gold partner Cybrosys Technologies is organizing a giveaway of one of the top most Odoo books, the “Designing Professional Websites with Odoo Website Builder” in the Three weeks Give Away conducted through Twitter and Linked in platforms. All you have to do to claim the prize is to answer a simple question that is posted every week.

The 1st week of the Giveaway has been completed and numerous candidates participated in the event. And from all the participants who have answered the questions correctly, a lucky 10 were chosen as the winners of the first week. The event is being conducted for the next 2 weeks and you will have a chance to participate in it and get a copy of the book “Designing Professional Websites with Odoo Website Builder”. All that you have to do is follow the Twitter and Linked in pages of Cybrosys Technologies where the questions will be posted and you can answer them right away, wait till the end of the week to know whether you have been lucky. The winner's list will be published on the social media pages and they will be contacted individually for versification.

The event has been organized as a promotion for the Odoo platform and imparting the knowledge to Odoo users as well as the people who are unaware of Odoo. Moreover, the new version of Odoo the Odoo 15 is yet to be released which is the most advanced and fastest Odoo ever. The new version of Odoo will be released in the Odoo experience 2021 the largest event on Odoo and the gathering of all the Odoo lovers, Users, and other members of the Odoo community. This year like the previous year the event is conducted virtually due to the impact of the pandemic and the travel restriction induced by the

authorities. The Odoo experience is where you can take part in the expert talks, seminars by dedicated Odoo community members, stalls by Odoo partners and success stories of Odoo users, and many more. You can register for the Odoo experience directly through the Odoo website and you will be notified of the various talks and events of the Odoo experience.

Another key highlight regarding the Odoo experience of 2021 is that the new version of Odoo the Odoo 15 will be released which is considered as the most advanced Odoo ever. As for the history of several years, the Odoo has been releasing new versions every year during the Odoo experience event and the trend is continuing today and is to be continued in the future. There are numerous upgrades done to the new Odoo platform that bring in advanced operational features and new operational tools which will pave the way for the efficiency of operations in a business. In addition, the entire performance and capability of the platform have been increased to a higher standard to bring in more and more efficient capabilities of business management.

The Free giveaway is conducted for 3 weeks by the prominent Odoo Gold partner Cybrosys technologies who have been in the ERP business for more than 13 years, serving customers from all parts of the globe. Today Cybrosys tops as the main contributor to the Odoo community bringing in new Odoo applications, tools, resource materials, and many more. Moreover, Cybrosys has become a label of Odoo implementation today and the clientele of prominent names in the business is an example of it. The expert team of developers, Odoo Consultants, and other supporting staff is the key backbone of Cybrosys and they cater to every need of the customer. The advanced form of customization and hassle-free implementation procedure of Odoo are the key highlights of Cybrosys Technologies.

In addition, Cybrosys believes the information is key for the success of every aspect, and sharing it with its fellow beings is vital for the collective empowerment of the market. Therefore, Cybrosys Technologies concentrates on putting forward Odoo resources which will not only educate the unknown but also will act as the manual to run Odoo functions and their development. Cybrosys are key contributors of Odoo related blogs both function and aspects of development the dedicated **Odoo blogs** application which is available for free will provide you direct access and the Cybrosys blogs webpage can also be used. Additionally, Cybrosys has a variety of collections of Odoo books for the various versions describing the functional aspects of the platform. The video tutorials on Odoo development and functional aspects also act as a major source of resource material for learning Odoo.

The book “Designing Professional Websites with Odoo Website Builder” which is the prize of the 3 weeks give away is coauthored by the members of Cybrosys along with Packet Publishers. It's a one-of-a-kind resource material relating to website development and building from the functional side of the Odoo platform with the help of the dedicated and advanced Odoo website builder tool. It covers all the aspects of the website building using the functional block tools, configuration and customization aspects, and the entire aspects of the website building with Odoo. Rather than a reference material the “Designing Professional Websites with Odoo Website Builder” can also act as the manual in website building operations with Odoo.

There are only two weeks left for the 3-week giveaway to end, participate now and win the book “Designing Professional Websites with Odoo Website Builder” for free!
