

PAPUA NEW GUINEA, 1st INVESTMENT FORUM IN DUBAI.

PNG Welcomes Innovation!

United Arab Emirates, Dubai, Oct 27, 2021 ([Issuewire.com](https://www.issuewire.com)) - The Papua New Guinea Expo2020 pavilion in Dubai successfully delivered the first investment forum to the global audience in collaboration with APEC Haus in Port Moresby on the 20th of Oct. 2021.

The Investment Forum is the first of a series of investment roundtable talks that will be hosted along the margins of the Dubai World Expo in the coming months aimed at presenting the investment profile of Papua New Guinea in order to enhance investment, trading, and tourism, as well as increase awareness about Papua New Guinea as a country.

The forum hosted PNG Regulatory Agencies such as the Investment Promotion Authority, Internal Revenue Commission, Immigration and Citizenship Authority and the National Court of Justice presented on the laws that govern the investment arena of Papua New Guinea as well as the investment incentives available to investors. The National Forest Authority also presented government policies and initiatives in the forestry sector and on environmental sustainability.

The PNG forum also welcomed a special guest “Ms. Noha Jaheen”. The owner of “Jaheen’s” Companies & the founder of “[Click Media](#)” - the 1st Media E-commerce Digital Platform that connects the world!.

Ms. Jaheen introduced the new market shift in the Tech-fin industry that uses the power of the media as the 4th authority & the spreading power of e-commerce in order to create new opportunities in the market that build a worldwide cycle of benefits with sustainable profits for all companies & countries that are intended to increase their investment, tourism & trading on local, national or international levels.

Click Media is flashed as a huge project under the slogan “We Connect the World!” through a digital platform that is considered as the 1st of its kind that will be introduced to different countries during the

business program of Dubai World Expo.

The PNG Business Program during Dubai World Expo intends to host its 2nd Investment Forum in November, focusing on the value chain in the manufacturing sector of agro-industries, food and beverages, and other downstream processing opportunities in product promotion and expansion, besides welcoming innovation that is able to inspire the world with Jaheen's!
