

SalesboxAI Announces Participation in Marketing Mania 2021 in Middle East

United Arab Emirates, Dubai, Oct 12, 2021 ([IssueWire.com](https://www.issuewire.com)) - [Marketing Mania 2021](#), one of the world's biggest mar-tech events will take place in Dubai between 17th and 21st October 2021 and will run alongside other key tech events: GITEX, Ai Everything, Fintech Surge, Future Blockchain Summit & GITEX Future Stars.

Marketing Mania is a must-visit for forward-looking marketers in the Middle East and worldwide passionate about engaging, selling, and delighting consumers in new and inspiring ways. With more than 10,000 marketing, design, advertising, social and creative professionals participating in the event, it is the go-to event to discover the latest marketing technologies, trends, fresh ideas, and inspirations besides a great opportunity to network with the best marketing minds.

[SalesboxAI](#), a leading AI-powered Account-Based Marketing Platform, will exhibit in Marketing Mania - #Marketingmania2021 and showcase our conversational AI Assistants and ABM platform to SMBs and enterprise customers in the Middle East. The platform helps you drive net new business and expand relationships with high-value and growth accounts by rolling out personalized Account Centric Experiences for your VIP customers. Your SalesboxAI Assistants can listen for Intent, discover buying group members, and help engage across channels like Email, Web, LinkedIn, Chat and prioritize in the market Accounts for you.

The Founder and CEO of SalesboxAI, Mr. Alex Roy, says, "We are happy to bring our AI-powered conversational ABM platform to Middle East customers. Getting sales traction with business customers is an always-on challenge. SalesboxAI, with its AI-driven conversational ABM platform, solves this challenge by allowing you to get conversations going on with the right people from the right accounts at the right time. Schedule a meeting with our team at Marketing Mania and discuss how to accelerate sales traction with SalesboxAI."
