SEO Experts, Savit Interactive awarded with the title 'Most Innovative SEO & Digital Marketing Firm 2021- India by AI Global!

Maharashtra, Mumbai, Oct 6, 2021 ([Issuewire.com](https://www.issuewire.com)) - Savit Interactive, a leading digital marketing company in Mumbai was recently recognized as the 'Most Innovative SEO & Digital Marketing Firm 2021 - India' by Acquisition International. AI Global is a digital business magazine and the voice of modern businesses dedicated to delivering and commenting on businesses doing great things within their respective fields of expertise.

Speaking of this event, Bhavin Thakkar, Founder, Savit Interactive Services Pvt Ltd. said, "It's an honour to be recognised and appreciated for our services. Our aim has always been to align our digital marketing services with the goals of a business so it can lay a direct impact on their returns. We at Savit, will constantly strive to push the boundaries in the digital marketing world with our innovative approach and data-driven strategies that drive results for our clients and their target audience."

Savit Interactive started its journey in 2004 and has emerged as one of the trusted and best agencies

for digital marketing services in India. They have delivered consistent results with a vast number of clients across verticals and gained hands-on expertise in the digital marketing space.

One of the key reasons that makes them worthy of this accreditation is that they have always been a high-performance marketing agency and have worked more like a business partner than a service provider. This attribute helps them streamline their offerings and achieve desired outcomes for their clients.
