

Susan Phillips, APRN, an Advanced Practice Registered Nurse with Pafford Health Systems Medical Clinic

Get to know Advanced Practice Registered Nurse, Susan Phillips, who serves patients in Hope, Arkansas.

New York, New York City, Oct 20, 2021 (IssueWire.com) - A devoted advanced practice registered nurse, Susan is in practice with Pafford Health Systems Medical Clinic located in Hope, Arkansas. In order to provide all of her patients with the best care, she specializes in family practice.

Academically, she earned her nursing degree from Henderson State University. She attributes her success to her love of people and making them feel better.

An Advanced Practice Registered Nurse (APRN) is a nurse who has obtained at least a master's degree in nursing. APRNs may work across various healthcare settings, including hospitals, ambulatory clinics, or long-term care facilities. They provide medical support and preventative care to patients, along with additional responsibilities of coordinating patient care and using specialized knowledge to manage complex patient conditions. APRNs can diagnose and treat as well as order and interpret tests and prescribe medications.
