

Swan Offers Express PCR-Testing Services

Sep 21, UAE –SWAN is your all-weather at-Home partner.

United Arab Emirates, Dubai, Oct 6, 2021 ([IssueWire.com](https://www.issuewire.com)) - The SWAN app has all the features you need, right from wanting to purchase groceries for the week, arranging a fast at-home PCR test for travel, or getting a trendy haircut at the convenience of your own home!

Swan is your one-stop shop for daily needs. They offer a plethora of online groceries options including - fruits, vegetables, meat, seafood, organic, cakes, flowers, medicines, pet supplies, and much more.

In today's pandemic situation, the time taken in visiting a clinic isn't something to be afraid of. You can schedule a PCR test on Swan. They offer the most satisfactory At-Home PCR testing service in Dubai, Abu Dhabi, Sharjah, and Al-Ain. Their staff will take your sample and get back to you with the findings in 8-10 hours (average).

They also provide various other medical testing services, including Vitamin D, Antibodies, and a Full Body Check-up. You can easily book the PCR test for the lowest price at 130 AED/Person and get a discount of 20 AED by using code: PCR20 in UAE.

Swan has evolved from a modest e-commerce app to one of the country's most dependable delivery and booking services. With over 100,000 active users, they're on a mission to become your go-to shopper. Their goal is to make your life easier while freeing up your time for more important things in life. We're continuously developing new functionality, introducing new services, and extending our distribution areas. So fasten your seat belts! Only better things lie ahead.

They have also teamed up with the most reputable and municipality-approved diagnostic centers to give PCR test results valid for international travel. Visit their website <https://www.swan.shop> to learn more. You can mail your queries to support@swan.shop.
