

That's So Mariana Releases New Music Video for "Beach Besties"

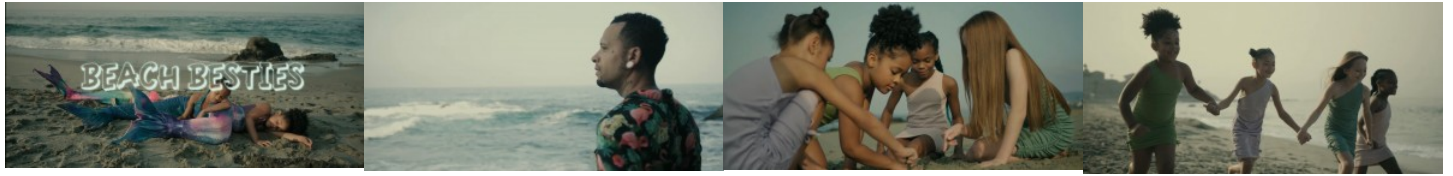

California, Los Angeles, Oct 17, 2021 ([IssueWire.com](https://www.IssueWire.com)) - That's So Mariana has officially released her new visuals for her song "Beach Besties" featuring her dad Tha Rift." The 8 1/2 year old who turns 9 the same exact day as rapper Drake's birthday, released her first song earlier in the month on all streaming platforms.

The song got over 20k streams and is still counting. The music video for the song however definitely has brought the song to life on another level. Shot by the talented Film Rat Productions, there was no doubt this video was going to be beyond amazing. In the music video, you'll see some familiar faces such as Journey Christine, Mila Deya, Tha Rift, Charlie Rose, Sophie Gabriella, and Addison Gibbs. The "Beach Besties" visuals have already hit 2k views on YouTube in just 3 hours. If we could like this video 1000 times we would. In the meantime, be sure to go check out That's So Mariana's new video and her song. We are excited to see what she comes up with next.
