

The Amalfi One Jet Card Does Not Falter Despite Waves Of Negative Change Throughout The Industry

California, Westlake Village, Oct 18, 2021 ([IssueWire.com](https://www.issuewire.com)) - In a time of uncertainty in the industry, it is crucial to be able to count on a trusted company for the safety of you and your family. When aircraft charter rates are rising by the second, with jet fuel continuing the same path, many are wondering where they can turn to. Amalfi Jets, through its flagship Amalfi One Jet Card, is continuing this pledge by maintaining a secured stance in the private jet charter industry.

The promise is simple, Amalfi Jet's One Jet Card Program is not faltering given the mounting pressure from the industry and its looming market uncertainty. They continue to be committed to their Cardholders and the original promise of the One Jet Card Program: industry-low hourly rates, guaranteed availability in as little as 18 hours, and the ability to use the Jet Card at published hourly rates across 32 different countries with no additional fees, surcharges, nor blackout dates.

To date, the membership base of the One Jet Card Program is growing by the day, as most of the big players in the industry have halted Jet Card sales due to historical demand. The Amalfi One Jet Card still continues to provide the following every day for its clients:

- Guaranteed access to aircraft in/outside the PSA from 18 hours to 96 hours
- No International Fees for usage within the 32 Country PSA
- No Blackout Dates
- No extended Callout Times nor additional fees

The Amalfi One Jet Card Program is currently accepting new Cardholders daily at the following published USD hourly rates: Light Jets (\$5,800), Midsize Jets (\$7,800), Super Midsize Jets (\$9,800), Large Cabin (\$10,800), and Ultra Long Haul Jets (\$13,500). The One Program requires a minimum opening deposit of \$50,000 USD, of which all of \$50,000 will go directly into your flight account for travel usage. There are no membership fees, annual fees, dues, initiation fees, nor anything of the sort.
