

The new Al Quoz-based Meraki Design and Art Studio offers the best resin art products and workshops

United Arab Emirates, Dubai, Oct 21, 2021 ([Issuewire.com](https://www.issuewire.com)) - The timeless beauty of resin art has successfully captivated the attention of art-loving individuals in recent times. Dubai-based Meraki Design and Art Studio, is offering the patrons of resin art world-class designs and products at highly affordable prices. The company offers varieties of products ranging from resin tables to Resin Acrylic trays, resin clocks, resin chessboard, resin cupcake stands, resin brass trays, and a lot more. Clients can also commission custom resin art pieces as per their needs and requirements. All the products are made from high-quality resin and the designs are created by artists with a unique yet trendy approach to please the clients.

The company not only sells artworks but offers a wide collection of materials that artists can use to create their own resin arts as well. Meraki Design and Art Studio sell resin, MDF, mica powders, resin pigments, silicone molds, natural stones, and other needed accessories to the buyers. All the products are authentic and can be used to make quality resin arts that have a glass-like shine and plastic-like composition. These raw materials can be used to make trendy jewelry, furniture, home decors, and more. They are always updating their inventory to provide the customers with the best and latest products.

Apart from selling resin art and materials, Meraki Design and Art Studio also holds creative art workshops for resin art. They have teamed up with the federal youth authority in Dubai, Emirates youth and Autism Centre, and a lot of cafes in Dubai. They have a variety of art workshops for individuals to choose from. All the materials for learning the art are provided by the studio. No prior knowledge of resin art is required to join the workshop. Anyone can sign up for the workshops and be a part of the fun. One can start their own resin art business after taking their courses.

They offer both basic and advanced courses on resin art in their workshops. They offer a full introduction to resin to the audience. They provide all the details on how and where to buy the right materials. They educate the clients on all the procedures, do's, and don'ts of resin art-making. They also give proper information on the safety measures of resin art-making. Learning resin art-making is quite fun with Meraki Design and Art Studio as they have years of experience in the field.

Meraki Design and Art Studio is the best art studio in Dubai. It is co-founded by two art-obsessed individuals Kay and Pooh. Their mutual love for resin art and interior design has prompted them to start their very own resin art venture. It is the first shop to introduce the beauty of resin art to the Middle East. The workshops hosted by the resin art studio offer a complete de-stress space for people who are looking for a way to escape their reality through art.
