

‘True Light’ by NELIA ROSS Amazes the Mainstream Pop Audience With Its Soulful Melodies

NELIA ROSS exposes her powerful harmonic voice with a captivating music video in her latest single ‘True Light’ that immediately strikes hard for heartfelt emotions.

Las Vegas, Oct 20, 2021 ([Issuewire.com](https://www.issuewire.com)) - Out of all the random things that have happened in the past two years, the music industry has warmly welcomed few truly potent artists who have showcased enough grit and personality with their music. Composing compelling tunes over multiple years, an artist who is all set to make a name for herself in the dynamic world of music is [**NELIA**](#)

ROSS. The singer holds a crystal vision when it comes to connect and bind with her listeners and ensures that her music remains relatable to the audience. The genre of pop has done more than its fair share of mood uplifting over the years and the talented singer has emerged on the scene to treat everyone with her special and exquisite melody lines. Having started singing, writing, composing music, and playing piano from a very young age, the powerful singer is well-equipped to meet the genre's expectations and prefers to play around with intrinsic pop and rock elements to expand her musical horizons.

The rising talent has recently released her new music video titled '[True Light](#)' that is sure to get her impressive music personality to the world and leave an everlasting impact on the hearts of the listeners. The artist has worked on her natural skills for years and has combined her incredible expertise in the genre of pop and immersive harmonies to encourage the listeners to swing to her tunes. In a genuine effort to turn the song into a mainstream hit, the artist has worked upon her best qualities to make the single engaging and immersive. Talking about a couple who are truly and deeply in love, the song sheds light on a very important but often overlooked point that holds utmost importance in a relationship. The song beautifully speaks about a couple who tend to each other, trying to do the best for living together without complication, but at the same time retaining their personality which is fundamental for letting the relationship grow. The amazing singer is blessed with a powerful melodic voice and has a wide vocal range that helps her portray her creative attributes with precision. The accompanying video shows the singer playing a piano and while he sings expressively to power through a melodic set-up.

Hailing from the United States, **NELIA ROSS** has won many awards in both national and international competitions. The prolific singer derives her musical inspiration from Billy Joel, Elton John, and John Lennon, and intends to craft songs that touch the listener's heart. Built under the label BISCROMA RECORDS, the song '**True Light**' sounds exquisite and portrays the singer's intimate new groove compels the audience to listen to her production on repeat. The artist is currently working on two projects and is also working on her upcoming tours that brings together six musicians, 3 vocalists, and 6 dancers on the stage in Italy, USA, and Europe.
