COMMERCIAL AND UTILITY
VEHICLES MANUFACTURER
TO OFFER ACCOUNTING SERVICES**

Tamil Nadu, Coimbatore, Oct 7, 2021 ([Issuewire.com](https://www.issuewire.com)) - Velan provides Outsourced Business Process Management services and focuses on increasing operational efficiency and minimizing the operational expenses for its global customers.

Velan is proud to announce the onboarding of a Fortune 500 client, a leading manufacturer of commercial and utility vehicles worldwide. Our client has a sales presence in more than 100 countries and operations in 35 countries. And through this onboarding, Velan will be supporting the client with accounting services.

“Our 14 years of diverse expertise in multiple verticals, stringent end-customer data security through top-notch infrastructure and processes like ISMS and QMS, on-time customer support, and accuracy in deliverables have earned the trust of more than 150 customers across 12 countries. Onboarding a Fortune 500 client is definitely a landmark achievement for Velan, the reward for consistently delivering values. We look forward to an enriching collaborative experience.”, says Ravi Ponnusamy, CEO, Velan Info Services India Pvt Ltd.
