

Why Online Banking with Metaprise Makes Sense

Pay & Get Paid

New York, New York City, Oct 28, 2021 ([Issuewire.com](https://www.issuewire.com)) - Over the years, the tides have turned a great deal, from traditional banking to banking online, and why wouldn't they? With 24/7 online access, you never have to make a physical trip to the bank or be face to face with a banker ever again. It's super convenient, and with lower fees, it guarantees savings of both money and time. No wonder businesses are gravitating towards this alternative. Here are a few reasons that will give you an even better understanding of why businesses bank with us at Metaprise to **Pay and Get Paid**.

Seamless Currency Conversions

As a cross-border international banking service that offers real-time currency exchanges for arguably the fairest exchange rates and no hidden fees, you can enjoy the luxury and advantage of making and accepting any payments in any currency. We also offer next business day settlement in most currencies which makes the whole process faster and easier. Through our 24/7 worldwide dashboard, you can Pay and Get Paid seamlessly anytime, anywhere.

Best-In-Class Accounting Integrations

No matter how large of a business you are running, one thing all businesses have in common is how much of a pain accounting can be. That is, until now. With Streamlined Integrations, businesses can automate workflows with the Best-In-Class Accounting Integrations - such as Quickbooks. By syncing our online banking platform with their preferred application for automatic payment tracking and reconciliation, especially cross-border business can finally reduce the overall likelihood of duplicate transactions or errors in their reports.

Prepaid Credit Cards

Last, but certainly not least comes our International Prepaid Credit Cards through Capital One. With our prepaid credit card, there's no need to worry about background checks and physical trips to the bank. Just enjoy 0% annual fees and unlimited purchasing based on your business needs. Businesses can take advantage of the best alternative to paying for any overseas travel or purchase expenses, as our PrePaid Credit Cards are also supported by most VISA-friendly ATMs for most any cash withdrawals.

Conclusion

In sum, Metaprise is altering your business's ability to pay and get paid through our best-in-class platform. As always, our main priority is to transfer funds worldwide based on your financial needs, without any unnecessary fees or hidden charges. We believe that you deserve, not only the same but the best services international banks have to offer their clients, without any of the usual bank hassles. What are you waiting for? Join the Metaprise community and Pay & Get Paid today!!
