New Delhi, Delhi Nov 29, 2021 (IssueWire.com) - The pandemic has created an environment where businesses need to be innovative to meet the challenges of the new normal. Online exhibitions and buyer-seller meeting platforms have emerged as the go-to destinations for those who want to expand and diversify in the changed scenario of current times. In sync with this thought, Zhejiang Export Online Fair 2021 has announced a unique opportunity for stakeholders in the buyers of *India, Bangladesh, and other South Asian countries* who are looking to source innovative products and accessories from key Chinese suppliers from Hangzhou, Taizhou, Yiwu, Wenzhou and other places to participate in the exhibition. The Expo will *attract professional purchasers from India, Bangladesh, and other South Asian countries online*^[2]*precisely matching with Zhejiang foreign trade enterprises.*

The expo will see more than 50 top manufacturers from Zhejiang showcasing their latest range of products included **Diagnostic Instruments and Equipment, Medical Materials and Consumables, Special Equipment, Hospital Equipment and Health Care and Rehabilitation Supplies**, etc.

This is an excellent platform to strengthen lighting trade between Zhejiang and *India, Bangladesh, and other South Asian countries* at a time when a business has hit a new low due to the restrictions on travel and transportation. The range of products has been selected keeping in mind the requirements of *India, Pakistan, Bangladesh, and other South Asian country's* market.

All discussions amongst participants will take place online via the Zoom Video Conferencing platform.
