

2021 Zhejiang (Quzhou) Export Online Fair (Southeast Asia – Electromechanical & Chemical Industry Products)

The virtual expo and business matchmaking platform is being hosted by Bureau of Commerce of Quzhou China Council for the promotion of International Trade Quzhou Committee and organized by Zhejiang Broad International Convention & Exhibition Co., Ltd.

Kuala Lumpur, Malaysia Nov 24, 2021 (IssueWire.com) - The pandemic has created an environment where businesses need to be innovative to meet the challenges of the new normal. In sync with this thought, Zhejiang (Quzhou) Export Online Fair 2021 has announced a unique opportunity for stakeholders in the Electromechanical & Chemical industry to meet and generate business via video conferencing. The Online Trade Fair on Electromechanical & Chemical industry Products will be held from 29th November to 03rd December 2021 and is targeted at buyers of Southeast Asia who are looking to source innovative products and accessories from key Chinese suppliers.

Supported by CREAT, the expo will see more than 50 top manufacturers from Quzhou, Zhejiang showcasing their latest range of Electromechanical & Chemical industry Products for buyers. There will be innumerable options to choose from the Electromechanical & Chemical industry products such as - Fire Pump, Centrifugal Pump, Diesel Engine Fire Pump, Oil Pump, Fire Pump Set, Caster, Plastic Parts for Shopping Cart (Snap on Handle, Baby Seats), Fire Extinguisher and Fire Ball, Furniture Handles & Knobs, Door Levers, Bathroom Accessories, Office Desks, Steel-Wood Furniture, Frequency Transformer etc.

This is an excellent platform to strengthen Electromechanical & Chemical trade between Southeast Asia and China at a time when a business has hit a new low due to the restrictions on travel and transportation. The range of products has been selected keeping in mind the requirements of the Southeast Asia market.

During this matchmaking conference, the companies of both parties conducted comprehensive, true, and vivid online communication through short video communication, online negotiation, and other forms to shape the corporate brand image and increase the conversion rate of orders and the transaction rate.

All discussions amongst participants will take place online via the Zoom Video Conferencing platform.
