

ADOR Health Announces a 10% Discount on your 1st Order

ADOR Health, a health-conscious food brand of India, has recently announced a 10% discount on any first order, without any other conditions.

Ahmedabad, Gujarat Nov 19, 2021 ([Issuewire.com](https://www.issuewire.com)) - ADOR Health, a health-conscious food brand of India, has recently announced a 10% discount on any first order, without any other conditions. The brand's founder was extremely satisfied with their team's decisions to provide occasional offers and discounts to their customers. He remarked, *"Discounts and offers are our most favourite way to drive sales and encourage new customers to join our journey towards a healthier India. We are also working on our brand's vision to make health affordable across the country."*

How To Avail This Offer?

To avail of the 10% discount on the first order, a customer would have to create an account with [ADOR Health's](#) storefront to let the site know you are a new customer. If you already have an account with ADOR Health, you will not be eligible for this offer.

After creating an account, you can add all the products you want to buy to your cart and apply the discount coupon "adorenew" at checkout.

Food Products At Ador Health

The food items offered by ADOR Health are of the highest quality, and they suit the nutritional needs of many health professionals and health-conscious individuals throughout the country, including those in the military. ADOR Health does not sacrifice the taste of their food products because of the high levels of protein and fibre in their goods. Dieticians and nutritionists not only approve of their products but also promote them to their clients.

At ADOR Health, you will find many food choices and flavours. Some of the low carb foods products include biscuits, cookies, atta, khakhra, etc. Maida, atta, flours come in different flavours, and you can use them for baking or cooking your favourite Indian dishes without compromising your health.

Here is a list of food products available at ADOR Health.

Keto Atta: [ADOR Health's keto atta](#) helps you enjoy your delicious Indian meals without worrying about your health. People intolerant to Gluten can safely try this product.

Cookies: Some of the common flavours of ADOR Health's cookies are jeera, chocolate, coconut and are suitable for anyone who is following a Keto diet.
