

AEC Overseas: Fulfilling the dreams of studying abroad

AEC Overseas is one of India's most leading education consultants that have enabled students to fulfill their dream of studying abroad.

Delhi, India Nov 27, 2021 ([Issuewire.com](https://www.issuewire.com)) - (<https://aecoverseas.com/>) AEC Overseas is a well-known name when it comes to overseas education consultants in India. AEC overseas has helped various students in getting admission to their dream college all over the world. [Studying abroad USA](#) is no longer a far-fetched dream, all thanks to the services of AEC Overseas. The success story of AEC overseas speaks volumes of their valuable work in this field, and this is what makes them one of the

most trusted reputed overseas education consultants in India. AEC overseas started in the year 2016 and till now has helped more than 16500 students in fulfilling their dream of studying abroad. With more than 150000 hours of counselling experience, AEC Overseas stands out from its competitors.

AEC Overseas is regarded as a one-stop solution for overseas education thanks to different types of services. AEC overseas not only renders their services to students for getting admission to the abroad colleges or university as graduate and post-graduate level but also guides them for preparing for IELTS or PTE. AEC overseas has been in this industry for the last 15 years and thereby is better positioned to guide their students which course and the university are better for them.

AEC overseas provides valuable counselling to the students so that they have all the right guidance in making the most important decision of their life. As AEC Overseas are experts in this arena, the students, with their help, can decide better among various courses and universities, which otherwise could be confusing and daunting for the students. AEC overseas understands students' requirements and ambitions and accordingly suggests to them the best course and university. AEC Overseas knows that the decision to study abroad is one of the major decisions of a student's life and thus there is no room for any error in this regard, and thereby they do everything in their power to help the students to make the right decision about the country, university, and course. The counsellors at AEC Overseas are highly trained that undertake student profile analysis so that only the best decision is taken that is indeed going to shape the student's career.

Studying abroad is a big financial decision that has to be managed effectively, but not everyone has the required knowledge and help to do so. But with AEC Overseas, one can ease this burden as AEC Overseas provides their students with the opportunity to apply for different scholarships programs. AEC overseas has an impressive track record of their students winning scholarships total amounting to US\$15.5 million. Also, AEC Overseas has partnered with 38 universities that exclusively provide scholarships to their students. This indeed makes the AEC Overseas a right choice for [study in the USA for Indian students](#). Apart from this, AEC Overseas also helps the individual in managing bank loans and thereby will guide how, where, and when to avail for the loan. Also, AEC Overseas has partnered with different financial institutions that help in lowering the financial stress of studying abroad of AEC Overseas students.

AEC Overseas, with their services, has made the admission process hassle-free. They ensure error-free application; timely submit of application to various universities, visa assistance, and also preparation of a statement of purpose that plays a very important role in the admission process. Such a wide range of services are all made available to students under the one roof of AEC Overseas, making the whole process a very convenient and comfortable one. The relation with AEC overseas does not end once the admission is secured as AEC Overseas takes the responsibility of comfortable landing and starting of new a phase for their students.

For this, AEC Overseas organized a pre-departure briefing for students and their parents to clear all their doubts and fears before flying out to their study destination. The seminars are conducted by AEC Overseas to provide them with all the important information such as what is to be done, who is to be contacted etc., is to be contacted once landed, etc., so that one is not overwhelmed once reaching another country. Apart from this, AEC also provides post-arrival services where AEC Overseas counsellors are available 24x7 so that the students face no issue during their stay. Thus indeed, AEC Overseas is the right overseas educational consultancy in India.
