Bennys Batching: Will Definitely Become A Household Name As He Starts To Trend Within The Music Industry

California, Los Angeles, Nov 2, 2021 (Issuewire.com**)** - Benny Chavez, Better known as Bennys Batching is an on the rise recording artist from New Mexico. He is of Hispanic ethnicity and takes pride in where he is from. He has a diverse interest in musical genres especially Rap, Hip Hop, Christian Rap, and Christian Rock. Bennys Batching is all about making his music known within the rap industry and growing his brand. His debut single “Worldwide Records” makes his story and ambition very clear to whoever listens. Benny started his career this past April just experimenting with some written lyrics. It soon passed as a hobby into a full passion of his. Music has now become the main focus of his life. With each new record, he tells a story. His music caters to all listeners. His raw lyrics and catchy vibe appeal to all.

Over some time his writing became better and better. Now he is able to switch up words easily and provide listeners with some amazing wordplay and lyricism. Benny is all about becoming better with his sound. He seeks to make his name known throughout the industry. Currently, he is working on a self-titled album “Bennys Batching " which is set to drop in the near future. In the meantime check out his latest single “Worldwide Record” now available everywhere. Be sure to be on the lookout for his new releases in the near future.

Check out his latest single here first! Remember it is also available on all other platforms worldwide!
