About Felix Frey, Founder OptionsGeek

Felix Frey, the founder of OptionsGeek, is a Wharton graduate and an accomplished 20-year Wall Street veteran. For almost a decade, he worked side by side with two of the most well-respected Hedge

Fund Managers in the game. It was here that Felix was able to put together the pieces of a very large puzzle that clarifies how the average investor can use options just like the top hedge funds in the world.

With OptionsGeek, he's out there translating his Wall Street experience to finally give the average investor a chance to shift the odds in their favor.
