

C B Beautiful Group £1000 Charity Fundraiser

They've done it again

West Midlands, United Kingdom Nov 15, 2021 ([Issuewire.com](https://www.issuewire.com)) - C B Beautiful Group in Walsall has been praised by the breast cancer awareness campaign Wear It Pink for donating £1000.00 to their latest charity event.

Founder, award-winning practitioner, and popular blogger Charlie Eggenton said on social media "We have always raised money for charity, however this time it was personal. My mother had recently recovered from breast cancer and really suffered both financially and emotionally after rounds of chemotherapy, radiotherapy, and operations. It was hard to say the word cancer, it's taken me a long time to accept breast cancer has finally left our home and now I'm inspired to raise money and help others."

Charlie and her team have bounced back after the covid-19 pandemic by winning 3rd Best Aesthetics Practitioner West Midlands 2020 from the British Aesthetics Awards. After a challenging few years, they continue to expand as a company by adding new treatments and plan to thrive in 2022 with, new staff and a positive mindset.
