Cardiology Associates of Fairfield County

New York City, New York Nov 5, 2021 ([Issuewire.com](https://www.issuewire.com)) - Cardiology Associates of Fairfield County was established in 1969 and has been serving communities in Fairfield County and the nearby greater New York City area for over 50 years. During this time, it has grown to become the largest private cardiology group in Connecticut, and among the largest in the NYC Metro area. It now has 21 physicians, 12 nurse practitioners, and 8 physician assistants providing care at its multiple locations.

Their team has privileges to provide care at St. Vincent's Medical Center (Bridgeport), Norwalk Hospital, Stamford Hospital, and Griffin Hospital. In addition, there are seven offices located throughout Fairfield County to provide convenient access for outpatient visits and diagnostic testing.

Their mission is to provide their patients with convenient access to "world-class" quality cardiac health care services. They utilize the latest technology while providing compassionate care designed to meet each patient's individual needs.

Robert D. Jumper, MD

A board-certified and fellowship-trained cardiologist, Dr. Jumper specializes in coronary artery disease, structural heart disease, congestive heart failure, and valvular heart disease.

The doctor obtained his Bachelor of Arts degree from the Iona College in 1989, and graduated with his medical degree from the New York Medical College in 1997.
