

Children Book Author Elizabeth Ferris Unveils Fourth Book of ‘Positively Georgia’ Children’s Book Series

‘Positively Georgia’ is a children’s books series by Elizabeth Ferris. Her new book is a valuable read for kids and their parents. It teaches many positive values about life.

Prince George, British Columbia Nov 10, 2021 ([IssueWire.com](http://www.IssueWire.com)) - Children Book Author, Elizabeth Ferris announces her fourth book of her popular 'Positively Georgia' Children's Book Series. This fourth book is titled "[Positively Georgia — Be Brave, Impress Yourself, Be Your Own Breed](#)." It is available in Amazon Kindle and paperback editions. *"I'm proud and glad of the announcement of the fourth book from 'Positively Georgia' Children's Book Series. The book is suitable for all ages, including children, caregivers, parents, and even their grandparents. It teaches many positive values about life, self-confidence, and finding hidden potential."* Said the author.

'Positively Georgia' is the main character from the book *"Positively Georgia — Be Brave, Impress Yourself, Be Your Own Breed."* She is a furry and cheerful Airedale Terrier puppy. Her owner Norman loves her so much. He calls her "Georgie-girl." Georgia likes to help people to thrive whatever their condition. She spreads love and helps people realize their hidden potential. In this 58 pages book, Georgia encourages people and inspires them to be what they want to be. Each person is unique and incomparable to others. She inspires everyone to be brave, confident and utilizes their uniqueness to achieve their goals.

"Positively Georgia — Be Brave, Impress Yourself, Be Your Own Breed" has positive feedback from the readers. One of the readers said, *"The book is packed with great advice and inspiration, which leads kids, teens and even adults to be positive in mind and act. The illustrations and characters are great and colorful. It engages children to read the story and improve their imagination."* The previous titles from the "Positively Georgia" series also gained positive responses from the readers. They include; 'Positively Georgia: Chin Up, Pup: Canine Confidence', 'Positively Georgia's Guide to Surviving Grief', 'Positively Georgia: The Motivational Tale of a Unique Airedale.' All titles from the "Positively Georgia" series are available on the author's [Amazon page](#).
