Jaipur, Rajasthan Nov 29, 2021 ([Issuewire.com](http://www.Issuewire.com)) - The renowned company, Rananjay Exports, has set their market value since the time they have established themselves in the market. Innovation and creativity are the primary sources of their success in reaching heights apart from the quality they maintain in their jewelry pieces. In addition, the company believes in customer satisfaction, making their

wholesaler and retailers sells the most trustworthy quality products to the end customers.

As after the covid-19 pandemic, everyone would be getting out of their houses for Christmas parties or gatherings, where they never lack to show off the shining earrings or the pretty necklace. Regarding this and for the coming season, the season of love and happiness, the company offers a **flat 35% discount** on all their [fashion jewelry](#) made in brass material.

The company owner gave the statement that "On the happy occasion of Christmas and the New year, we would be offering discounts on all your fashion jewelry to all our customers to enhance the market sale." In addition, he also added that "these fashion jewelry create a charm and excitement among the gem lovers and these small practices can surely boom the market after downfall due to the pandemic."

While talking with the company's product manager, he explained that "While making these fashion jewelry for the occasion of Christmas, which requires extra ideas and innovation, our team has always come up with something new that can actually set the trend in the market." Moreover, he also explained that they make this gemstone jewelry without causing harm to the environment. So, it is time to grab the latest collection created especially for the occasion of Christmas.

Along with the fashion jewelry made with brass, the company offers discounts on all the 925 sterling silver [gemstone jewelry](#). On all the orders above \$500, \$1200, and \$2100, the retailer can discount 2%, 5%, and 12%, respectively. Moreover, the company gives free shipping across the globe.

About Rananjay Exports- Rananjay Exports has been a wholesale manufacturing company based in Jaipur, India, since 2013. They deal in more than 250 gemstones and are known for their high-quality products, and they sell Triple-A quality silver with double-A quality gemstones.
