

Criclines Announced Addition of New Category Focusing IPL Indian Premier League-IPL 2022

The new category addition is in line with the platform's vision to cover each and everything that is related to IPL. Criclines is helping to build the largest gathering of cricket fans and lovers worldwide focusing on India.

New Delhi, Delhi Nov 28, 2021 (Issuewire.com) - Criclines is a famous name among cricket fans and lovers around the world. The team of Criclines had established this website to provide secure, safe, accurate, and 100% sure [today match prediction](#) of all cricket matches played throughout the world. The

management of Criclines had announced the addition of a new category focusing on the Indian Premier League 15th edition which is going to be held in April 2022.

Criclines had been covering [today IPL match prediction](#) for the last three years and now, you can get the latest updates, live scores with ball by ball prediction provided by Raja Babu, each and every news related to IPL, teams updates, player updates, IPL auctions, IPL franchises details, squad selection, updated scorecard, and exclusive updates.

The most loved cricket website, Criclines is also going to take the interviews of players and share them with you. The fans of this platform will get the schedule of upcoming cricket matches with full details of fixtures, dates & times, broadcasters details, cricket prediction tips, safe and secure IPL Prediction, live cricket match today, cricket match schedule, IPL cricket match, cricket live score today match, live cricket match score, live cricket match today online, India next cricket match, India cricket match, today cricket match IPL, t20 cricket match IPL today, and much more.

The aim of Criclines is to share authentic information related to IPL and keep the fans aware of the future of IPL. As we all know that two new teams had been added in IPL 2022 and now a total of 10 teams will be playing in the 15th edition of the most loved cricket league of the world. The addition of new teams will also change the format and we are hoping that near about 76 T20 matches will be played in the next edition of IPL. The competition was tough earlier but now it had become very tough as now we will see ten teams fighting for the title of IPL. The next edition of IPL will take more than two months to complete. The next season of IPL will be started on the 2nd of April and we will have the new winner of IPL in the middle of June, 2022.

Raja Babu, the admin of Criclines says, "*We understand the behavior of our followers and what they need to know about IPL. The addition of a new category will fulfill the requirements of our readers and fans. This upgrade will also help our mission to promote the best and valued content related to IPL.*"

Criclines is already covering the major T20 leagues like [BBL Prediction](#), [BPL Prediction](#), [PSL Prediction](#), Super Smash League, domestic and international cricket tournaments.
