Houston, Texas Nov 30, 2021 ([Issuewire.com](https://www.issuewire.com)) - SHEIN the widely popular online clothing store teams up with celebrity kid influencer Destiny Morales also known as ItsBadKidNena.

The collaboration gives fans of The Bad Kid and SHEIN a taste of some amazing trendy clothes that anyone would want to get their hands on. Destiny started working with SHEIN, July 2020. She expresses that the reason why she loves SHEIN is that they are a very affordable brand and all the items are super cute. She tends to get questioned a lot about where she gets her outfits and that SHEIN is actually one of her favorite brands. Not only do they stay on top of trends, but they also have a variety of items on their website from clothes to home decorations as well as beauty products. Destiny loves how amazing the staff is which makes the collaboration fun and easy.

ItsBadKidNena admits that she can't just pick one outfit that she likes from SHEIN saying, "I love all of their items especially their two-piece outfits. I love that each day they list new items with different styles."

Destiny is looking forward to continuing growing with the brands as well as one day coming out with my own collection with SHEIN.
