Mumbai, Maharashtra Nov 9, 2021 ([Issuewire.com](https://www.issuewire.com)) - Dr. Manishi's Homeopathy Pvt Ltd opens a new clinic at Sunrise Homes, Phase-2, Damat NERAL, MAHARASHTRA 410101 which is approximately 60 Krs from Mumbai. While Dr. Manishi's Homeopathy focuses on digital channels, this clinic will act as a physical space for patients to visit and also as office space for the company.

With a strong passion to help people in treating and maintaining lifestyle-related diseases and issues, Dr. Manishi is the co-founder of Dr. Manishi's Homeopathy, with two more veteran homeopaths Dr. Rakesh and Dr. B P Sah. These days, Lifestyle diseases have proved to be the World's Biggest Killer. According to the World Health Organization (WHO), the agglomeration of personal decisions that an individual can control leads to illnesses called lifestyle disorders. In other words, it is a disease connected with how a person or a group of persons live their life. Research shows that one in two individuals tend to suffer from various lifestyle diseases. These disorders are now affecting people of all age groups, including children. Some of the factors that lead to lifestyle diseases are Immense stress, Inadequate diet, No physical activity, Disturbance in the biological clock, Smoking, Alcoholism, Bad posture, etc. Lifestyle diseases include Obesity, Hypertension, Cardiovascular diseases, Respiratory diseases, Depression, and more. Homeopathy as an alternative treatment can help in treating and maintaining these diseases without any harmful side effects.

Based on decades of clinical research and experience, Dr. Manishi and the team have created a few highly effective formulations which they now intend to make available for the masses using digital channels. These formulations are immensely effective in treating medical conditions such as Allergies, Anxiety, Arthritis, Cancer, Depression, Diabetes, Heart Disease, High Blood Pressure, High Cholesterol, Infectious Diseases, Kidney Disorders, Liver Disorders, Mental Stress, Obesity, Pregnancy Disorders, Respiratory Disorders, Sleep Disorders and more.

Dr. Manishi believes that homeopathic treatment along with lifestyle changes can help one to bring health back to life and maintain a perfect balance in life. She is working on a technology platform also that would allow her to reach beyond the current area of focus and reach as many people as possible to make the world more healthy. "Have great and healthy life" always has been her motto, which she believes for oneself and recommends to others as well
