

Dr. Tamela Story Launches a New Journal, The Goal Girl Guide: Your guide to getting “It” done

Dr. Tamela Story, an author and Brazilian-based talk show host, announces a new journal geared towards both girls and women. The journal encourages women and girls to find their full potential to reach their goals.

Los Angeles, California Nov 12, 2021 (Issuewire.com) - Dr. Tamela Story, an author and host of a Brazilian-based talk show, releases a new journal: for girl bosses, titled “The Goal Girl Guide: Your

guide to getting “It” done.” The journal encourages women and girls to find their full potential to reach their goals. “I’m thrilled to announce my latest work. The Goal Girl Guide teaches many life lessons for women and girls, helping them face their challenges in achieving their goals. Women have a responsibility to take care of themselves, mentally, physically, and emotionally. Through our interactive step-by-step teaching in this journal, women and girls can thrive and reach their goals and persevere when faced with obstacles.” Said Dr. Tamela Story. Dr. Tamela Story’s journal is easy to understand for girls and women. Through her amazing journal, she also wants to raise awareness of women’s empowerment and promote self-care.

The Goal Girl Guide is Dr. Tamela Story’s first journal as an author. This journal is available to purchase on Dr. Tamela Story’s linktree link. His first book, titled “The Adventures Of Khero: Khero Practices Social Distancing,” has already been published in Kindle edition. The Adventures Of Khero is a children’s book series. It was written by author Kherstyn Jones. This 12 pages book is a story about Khero and her siblings’ adventures that raises awareness on the importance of social distancing through the pandemic. “The Adventures Of Khero: Khero Practices Social Distancing” is the first book of a three-book series. The book is also written in Kindle edition and available on [Dr. Tamela Story’s linktree](#) page.
