

Dubai-Based Hip-hop Artist Hiten Bachani Delivers Outstanding Beats in 'Turn This Around (Mumbai To LA)'

Filled with emotions the rising Dubai-based hip-hop artist Hiten Bachani has exemplified his personality through the song 'Turn This Around (Mumbai To LA)'

Los Angeles, Nov 18, 2021 ([Issuewire.com](https://www.issuewire.com)) - The rock and roll vibe can be observed from hip-hop and rap artist **Hiten Bachani** in his latest released song '[Turn This Around \(Mumbai To LA\)](#)'. The artist here promotes his root strengths and from that nature, he has succeeded in his life. The artist is very goal-centric and he can do anything g for his passion. Thus, as music is his passion so it can be

expected from him that many new styles of hip-hop and rap songs we can get. With his melodic and fast rapping style, one can understand the song's high craft and design.

The artist here used two types of languages such as Hindi and English to make the song crispier and stand out song for the listeners. The electronic beats and the synth effect of '**Turn This Around (Mumbai To LA)**' can drive you towards a rollicking mood. The swanky style and the intense lyrics of this song have made it interesting for music lovers. Furthermore, the vicissitudes in the synth and the vocal texture are both the qualities that helped to uplift this song. Therefore, in some portions, he throws loud, and in some parts, he goes with low vocal according to the lyrical position within this song. Hence, in later songs that are more ecstatic are being expected from this talented and versatile [Dubai-based hip-hop artist](#).

The artist has his own nice production house Sound Of Mushroom to produce high-quality hip-hop and rap songs for his rising listeners. If you want to get refreshed from the songs of **Hiten Bachani**, you can visit Soundcloud and his [YouTube](#) channels. Some other songs from this artist are 'Get To You (ft. Charlie Hay)', 'Hold On Back' and 'TELL ME SOMETHING (ft. Taylor Reese)'. The singer has his presence on [Instagram](#) and [Facebook](#) to post their upcoming projects and interesting facts about him.
