

Elaine Y. Weng, MD, a Radiation Oncologist with Mountain Radiation Oncology Consultants

Get to know Radiation Oncologist Dr. Elaine Y. Weng, who serves patients in Denver, Colorado.

New York City, New York Nov 16, 2021 ([Issuewire.com](https://www.issuewire.com)) - An excellent radiation oncologist, Dr. Weng serves the community of Denver, Colorado at her private practice, Mountain Radiation Oncology Consultants.

Educated in the United States, she graduated with her medical degree from the David Geffen School of Medicine at UCLA. She completed her internship at Scripps Memorial Hospital, and her residency in radiation oncology at the UCLA Medical Center.

In pursuit of clinical excellence, the doctor is board-certified in radiation oncology and radiology by the American Board of Radiology (ABR). The mission of the ABR is to serve patients, the public, and the medical profession by certifying that its diplomats have acquired, demonstrated, and maintained a requisite standard of knowledge, skill, and understanding essential to the safe and competent practice of diagnostic radiology, radiation oncology, and medical physics.

Radiation oncology is a medical specialty that involves the controlled use of radiation to treat cancer. It is one of the three primary specialties – the other two being surgical and medical oncology – involved in the treatment of cancer. A radiation oncologist is a specialist physician who uses ionizing radiation in the treatment of cancer.
