Get to know Infectious Disease Specialist Dr. F. M. Shaikh, who serves patients in Las Vegas, Nevada.

New York City, New York Nov 30, 2021 ([IssueWire.com](https://www.issuewire.com)) - An experienced infectious disease specialist, Dr. Shaikh works with patients at his private practice in Las Vegas, Nevada.

A native of Pakistan, he earned his medical degree from the Liaquat Medical College Sind in 1988. Upon graduating, he relocated to the United States and completed his residency in internal medicine at St. Mary's Hospital in 1998. Finally, he completed his fellowship in infectious disease at the University of Texas Medical Branch Hospitals in 2000.

As a testament to his continued education, the doctor is board-certified in infectious disease and internal medicine by the American Board of Internal Medicine (ABIM). The ABIM is a physician-led, non-profit, independent evaluation organization driven by doctors who want to achieve higher standards for better care in a rapidly changing world.

Infectious disease is a medical specialty dealing with the prevention, diagnosis, and treatment of all infections. An infectious disease specialist's practice also consists of managing nosocomial (hospital-acquired) infections.
